Planning a wedding can be a daunting task, but with Lissa's expertise, you can rest assured that everything will be taken care of. Before your wedding Lissa will guide you through the entire process by reviewing the pricing and coordinating all the details to ensure nothing is overlooked. She will conduct a walk-through of the ceremony details, including seating and table layout, and gather all vendor contacts to handle all the details, leaving you stress-free on your wedding day.

Once the final guest count is approved, Lissa will do a walk-through with the bride and groom to ensure everything is ready for the big day. This will give you the opportunity to see everything in person and make any necessary adjustments. Terrydiddle Farms understands that communication is key when planning your wedding, and Lissa and her team will be there for you every step of the way. With her help, you can enjoy your wedding day without worrying about the details. She will take care of everything. If you have any questions or concerns, Lissa is just a text or phone call away.
